The Parish Council considered an application for provision of additional stabling, car port and creation of all-weather riding arena - all for private use for Mr C Whitmarsh. The Parish Council had no objections to the application but requested that a condition of the permission be that the arena be for daytime use only with no external lighting. The Parish Council asked that any other conditions thought appropriate for private use be included.

**17/317 Playing Field:** The Parish Council considered provisional costs for additional seating, shelter and new goal post at the playing field. It was confirmed that the additions were a result of consultation with local families and it was agreed that upon completion of the work an event would be organised to promote the facility. Approval was given to seek funding from B&NES' Community Empowerment Fund. Full proposals would be brought to the next meeting.

**The meeting closed at 7.06pm.**
