

## **Hinton Blewett Village Hall Management Committee Report – 2015**

The hall continues to benefit from being used by the Montessori Kindergarten and occasionally for village events such as the Rustic supper and village sharing supper. Rental charges for Montessori continue to reflect reduced school intake. Otherwise the main community use is by the Parish Council, the History Group and during this last year the Chew Valley Neighbourhood Plan Steering Group.

The Committee meets regularly throughout the year and ensures that health & safety and fire safety are maintained. The hall is in good condition both externally and internally and has few maintenance issues at the present time. The hall's finances are sound.
