12. QUEENS PLATINUM

The Chairman to discuss options how to celebrate the Queens Platinum.

13. HOLLOWMARSH BRIDAL PATH

The footpaths officer has inspected the downhill part of the path to look at the flooding issue, the deep mud is rendering the entire bridleway unusable. It's been suggested to leave it as it is and clear the scrub/ bushes to expose the higher path and make wider. There will be an area where it may need building up but to try and move a spring will only result in the water coming out elsewhere. The footpaths officer is open to any other ideas to address this issue but seeks an opinion due to having to remove some hedges/trees and whether the Parish Council supports this suggested solution.

14. GRASS CUTTING AT THE PLAY AREA

The grass cutter has reported that because of the extreme growth presently they have been struggling to cut the grass once a fortnight and its hard on the machinery. It is being requested that additional weekly cuts are done to keep on top of the of the grass cutting until grass growth slows for a period of 3/4 weeks. The cost will be an additional £240 - £320 (depending on how many cuts are required).

15. DATE OF NEXT MEETING

The next scheduled meeting of the Parish Council is on **Thursday 9th September 2021 at 7.30pm**.
